BRIDGE REPAIRS ON NH ROUTE 113A IN TAMWORTH
WILL REQUIRE SINGLE LANE TRAFFIC FOR EIGHT WEEKS

The New Hampshire Department of Transportation announces bridge repairs are scheduled to begin Thursday, October 6, 2005 on the NH Route 113A Bridge over Swift River in Tamworth.

This bridge rehabilitation work is expected to take eight weeks to complete, and will require a lane closure and single lane alternating traffic. Warning signs, concrete barriers, and stop signs will be used to guide motorists through the work zone.
